

Pina _Table lamp

Cordless, rechargeable, battery table lamp. A touch control on the base allows you to switch the light on, adjust its intensity and select its color temperature. And thanks to its high IP rating, the lamp can also be used outdoors. (except for models with a metallic-leaf finish which are recommended for continuous outdoor use). An electronic control system monitors and indicates the remaining battery power to ensure recharging is optimized and always performed correctly. The lamp comes with a contact charging base. USB charger included for LD1650 and not included for LD2650. The lamp can be customized with a floor stand or a ceramic tray that can be purchased separately
